THE CENTER ON THE GO

Over the next several months, The Center for the Arts will be transformed. We need your financial support to preserve our community’s hub for the arts and improve this important resource!

If you have questions, please contact Amber Jo Manuel, Executive Director, at 530-274-8384 or amanuel@thecenterforthearts.org.

Grab Your Seat: $1,000

BE RECOGNIZED by any patron of The Center by naming one of our 492 seats - choose your seat from the floor section or rear retractable tiered seating. Your name will appear on a permanent plaque on the seat and will be assigned on a first come first served basis. With the unique ability to transform from a traditional theater space to an intimate cabaret venue, naming a seat at The Center is a one-of-a-kind opportunity.

Set the Scene: $500

YOUR COMMITMENT to community art will be recognized in a mural on the back wall of The Center. Facing the parking lot, the mural will include your name in the design and be seen by over 30,000 passing pedestrians, teachers and artists annually. With your gift of $500, you will be supporting the curation and production of a unique artwork permanently showcased on the rear exterior wall of the theater.

The Center for the Arts’ Fall Colors Open Studios Art Tour would not be possible without the support of local businesses, individuals, and organizations throughout Nevada County. We are grateful for your contribution to our community and the visual arts.

We believe the arts not only make a community but they help build a community. Whether it is a production that brings people together on stage for the first time, a headlining concert that benefits other area non-profits, an audience that shares in a new memory, or artists hanging their artwork in one of our two community art galleries, The Center provides the organization and the venue to bring it all together.

Thank you to all of the Open Studios 2018 participating artists and galleries, and our many volunteers. We are grateful to everyone who helped to make this event possible.
