WELCOME TO OPEN STUDIOS 2019

NEVADA COUNTY WEST

Thank you for picking up a copy of our 2019 tour guide. This marks the 24th year of this annual event featuring the incredibly diverse variety of artists in Nevada County's Western Region. Every October, hundreds of local artists open up their studios and galleries during the second and third weekends so that you can see where art is made, displayed, and appreciated.

The tour features a multitude of classic and contemporary art for every taste and hosts sculptors, printmakers, photographers, painters, jewelers, illustrators, woodworkers, designers, and much more! This tour is a wonderful opportunity to meet the artists, view new pieces and works in process, watch live demonstrations, learn about their processes from conception to completion, and buy original art in a wide range of mediums and methods! Beyond an art sale, Open Studios is a chance to experience first-hand how, where, and why art is created.

SUPPORT THE ARTISTS ... WIN PRIZES!

By purchasing artwork on the tour, you will not only be supporting local artists and the community, but you will also be entered into a raffle to win prizes! Bring your receipts to the Plaza Gallery to be entered to win

BREAKING NEW GROUND

The renovated Center will be filled with the creative energy of the most exciting artists and allow us the flexibility to showcase a broader range of events.

By increasing the seating capacity and installing a more flexible stage and floor plan, The Center will be able to expand its mission in its own home. The Center will be able to accommodate 300 for cabaret performances, 492 for seated shows, and 725 for dancing events. The revitalized Center will allow us to deepen our impact on our city and community through the transformative power of the arts. We invite you to join us as we create a powerful new Center for the Arts in the heart of downtown Grass Valley.

To support the renovation contact Amber Jo Manuel: amanuel@thecenterforthearts.org
