FREE ART TOUR 2020

OPEN STUDIOS

SATURDAYS AND SUNDAYS
OCTOBER 10.11.17.18.

PRESENTED BY THE CENTER FOR THE ARTS

NEVADA COUNTY WEST
Welcome to Open Studios! Thank you for picking up a copy of our 2020 tour guide. This marks the 25th year of this annual event featuring the incredibly diverse variety of artists in Nevada County’s Western Region. Every October, hundreds of local artists open up their studios and galleries during the second and third weekends so that you can see where art is made, displayed, and appreciated.

The tour features a multitude of classic and contemporary art for every taste and hosts sculptors, printmakers, photographers, painters, jewelers, illustrators, woodworkers, designers, and much more! This tour is a wonderful opportunity to meet the artists, view new pieces and works in process, watch live demonstrations, learn about their processes from conception to completion, and buy original art in a wide range of mediums and methods! Beyond an art sale, Open Studios is a chance to experience first-hand how, where, and why art is created.

Health and Safety

We realize that these are difficult times and everyone’s health and safety is of the utmost importance. With that in mind, artists who have their studios open for the tour will be following all currently mandated health and safety guidelines at the time of the tour. In addition, some artists have decided to only have their studios open by appointment only, and others will only be accessible through virtual platforms.

Please visit openstudiostour.org for virtual information on all of the participating artists.
PLAN YOUR TOUR

This booklet is your all-inclusive tour guide equipped with artist listings, maps, dates, times, demos, and contacts to complete your Open Studios tour experience: Now it's up to you to create your itinerary!

*Please note that some artists are only open the first weekend of the tour, Oct. 10-11. Their studio number is in a red box next to their listing. For latest updates, online maps and more visit openstudiostour.org*
